

» Roadmap Chemengineering, Münchenstein

By car

Coming on the A2 motorway toward Basel, respectively Zurich, Bern, Luzern, change at the crossing Hagnau from the A2 motorway to the H18 motorway in direction Delémont.

After driving through the Schänzli tunnel, take after 700 m the exit Münchenstein in direction Hospital Bruderholz.

After 500 m you drive again through a short tunnel. 250 m after this tunnel you drive left.

After another 250 m you will find the entrance to the Spengler underground parking garage **P**. The visitor parking is on the 1st level.

By Global Positioning System (GPS) you enter as final destination **Migrosstrasse 1** in Münchenstein.

In the underground car park (1st floor) take the lift or the stairs to the ground floor. On the ground floor, cross the entrance hall (building C **C**) and take the elevator to the 4th floor.

By tram

At the railway station SBB take tram 11 in direction Aesch. After about 10 minutes, leave the tram at the station "Münchenstein Spengler." Walk along the Spengler block buildings directly to main entrance of the building C. There you cross the entrance hall and take the lift to the 4th floor, where you will find the entrance to Chemengineering.
